## WORK EXPERIENCE

### FREIGHT HANDLER

Tamex Transport | 2024 - present

I have experience working in a warehouse where I performed daily quality checks of boxes and packages, ensuring damaged items were reported and removed for inspection. My daily duties were to neatly sort and place freight on the conveyor belt, handling over 500 - 1,000 boxes per shift, carefully following the company's policies and procedures.

---

### CREW MEMBER

Hungry Jacks | 2023 - 2024

Managed the grill station and expedite up to 100 orders per shift. Managed food and frier temperature to maintain food and safety handling standards.
